Country Of Dreams

Seeing the dream about you
Today I became dreams dwelling.
I have an unlimited dream today,
I want to live with dreams.
Let me keep dreaming.

I believe in the country of dreams,
Just you and I there,
And there's our love.
Stir each of the nature,
Today will be a witness to love.

My love today in the rhythm of nature,
Choose a new chapter of love.
I can not love you for my own interests.
I would never say that 'I want you.'
Because love can never be judged by interest.

Today I want to reflect on the love, Rhythmically of nature.
Wherever you are,
You're forever mine.
I am not indictment want to got you.

But don't you break my dream.
I want to live with dreams
I can find my love in my dreams,
The reality is so stubborn,
There is a lack of love here.

I want to go to the world of my love.
Do not stop me,
I want to go.
I know my love
One day your two eyes will come out of tears.

It will be my love win.
I find you in my dreams.
Every one of my organs,
every breath breathing is just you and you.

I do not want to live in your real world,

Only interests and interests are there.

There is no existence of love.

Rahul Shil

Dream

Today I am sleeping awakening,
I became lifeless.
All of my dreams remained in the dream,
Just in my life sorrow and tears,
I could not find the measure of living anywhere.
I'm feeling very meagre today,
Everyday dreams come to an end,
My dreams are Fragmentation.
In this world, I am so alone.
My life has been a streamless boat,
Every rhythm of my life,
Lost living victuals.
My smooth way,
Filled with dust and silence...
Life is mine today,
Sand-desert star.
No way, no edge,
There is no real form.
Glance my dreams is debt,
Dreamless dream is my dream.
I'm going to find out today,
My dreams churchyard.
Where one Innocent bud,
Contain of actual impersonation.
The bud blossomed in its flowers,
All possibilities will be Implemented.
His mind will be fulfilled in the hope,
He will be worthy of his self respect.
His dream will be on the premises,
A great bond of love and love.
A kind of nature,
The union will happen there.
Clamor of fountain, noise of Natural birds,
And echo in the air will present.
It will be heard in every wilderness and in the wilderness.
The mind inebriate aroma of the nature,
He will give his imagination a realistic shape.

Farewell

My forever life partners,
I apprise MY last farewell.
Now you farewell to me,
My Farewell's littoral has coming.
I have to retire from here.

Now you farewell to me,
My Farewell's littoral has coming.
Come on for a while,
It's going to end now.
O my dearest friends good bye to you.
Oy Farewell's littoral has coming.

I have been hearing my farewell bell far away,
I have to go now,
Time is stimulus me.
My Goodbye bell is ringing.
Now I have to go.

My forever life partners,
Now you farewell to me,
My Farewell's littoral has coming.
Now I have to go.

I have to go through many ways.
I have to go now.
Now tell me goodbye.

My goodbyes came to an end.
The ships of my long journey have also arrived.
Now let me go.
I want to go.
O my dearest friends good bye to you.

My pilot is waiting for me to go.
I apprise MY last farewell.
Now you last farewell to me,
Good bye my dearest friend, Good bye.
I know my journey will be good.

Just tell me goodbye.

The darkness has come down.

I got a call now from my pilot.

He is waiting for me.

Now let me go.

Good bye, Good bye.

For You

O My Mistress

My eyes are not my eyes,
This is thine mirror.
Just thou and thou,
Are full with My dyad eyes.
here and there,
Everywhere is just thou.

I am not a tycoon,
Nor am I the emperor.
I'm just a crazy lover,
I've been completely,
Runagate for your love.

Rahul Shil

Friendship

The friendship word gives me a big anxiety.
I do not know what is in the word of friendship.
Just I know that friendship means a sweet relationship.
Our body is different but one of the soul.

Friendship means a great bond of laughter and cry.
Friendship means some misery and some complex issues.
Friendship means yours and my friendship
Friendship means Abhijit and Rahul's friendship.

Never quarrel and sometimes sit together to make stories.
It's my and your friendship.
The biggest chapter in our life is yours and my friendship.
All the chapters of life will end,
But you and my friendship never end.

Friendship means yours and my Huff.
Friendship means to walk with you and me together.
Friendship means revenge for your insult.
Friendship means something seek from you,
Friendship means rule by ear stretched,

You and my friendship are not just stable until death,
Our friendship will flow like the wind for ages,
In every light of nature
Our friendship is the friendship between two souls.
Our friendship is the friendship of two hearts.
Our friendship is the friendship between two stars in one sky.

Friendship of the sun and light, our friendship
Your Abhijit name is engraved on every part of my body.
Your name is actually in my ears
What a feeling it is.
Our friendship is the best friendship in the world.
Friendship means only you.
you and you and you.....

I Am So Alone Without You

The mind is silent thinking only you,
Where are you lost from my life?
You brought the light of hope,
Which I left behind in my life.

You love me,
I've forgotten all my troubles,
Suddenly, one day I dreamed like a Dream Of Flight, in my last dream.
Life has made me happy,
touche of you.

You Fetch one life of my life in the light of the seven colors of Holi.
When Holi came,
Then I kept quiet, I would have faded seven colors of love in your soft cheek.

Where is that day lost?
Today I am silent thinking only about you.
I feel alone today,
You swear, you swear at me.
'You never leave me'
When you leave,
you leave this world.

Did you not remember my words at one time?
How do I leave you alone?
Do not you think once?
I think you are very much in front of you today.

I'm sitting in the corner of the house.
I went out, today I'm alone
Can you tell me?
Who will I play with?
Why are you laughing like the stars in the sky?

Can you hear is that my scream filled with pain?
Can you really hear the cry of my silence?
Or are you pretending or not listening?

You have become selfish, , , , , , , ,

Really you have become selfish...

Rahul Shil

I Still Do Not Forget That Day.

I still do not forget that day.
I still remember that day,
The day I was and you were.
And there was some love.

I still can not forget, those happy days.
When I spent with you.
When you and my heart rate ran together,

Then we would create two fictional worlds,
Where only you and I were,
And there was some love moment and memories.
We both used to fly in the world,
Where only love and love.

I still remember it.
So that day,
The day I learned all the ABCD of love from you.
How many oaths did you do that?
I did not forget that.

When you swore and said to me
: 'I will never hurt you. All the life I will be with your life partner'.
Just then, all my sorrows have been removed from my mind.

I could not forget it a little.
When I remember the words you gave me, I get very tears.
I'm a big destitute today.

In the middle of the night,
When you come to a dream,
Then my sleep broke.

Why did you do this with me?
I used to love you more than my life.
I love you, did something wrong with you?
Why have you played the role of love so long?
Why?
do you say why?

have I not the ability to live with you?
have I not the ability to live with you?
Thank you so much dear.
To show me my right place.

When you paid me a price of 2500 rupees in my hand,
Only then my love has been sold.
If you think about it,
then I would say that this is your misconception.

But what does one know - - 'love can not be bought with money'.
It is enough to coalesce the two minds to build the building of love.
I love your love,
I care about it.

If you can buy all with money,
then give me back my life.
Give me those days that I was spending my every time with you,
Give me the time that I just brought it for you.

Give me the dreams,
which I saw for you.
I'll give you all my money,
But give me back all of my lost things.

Really, Can you tell me,
why you changed so much?
The reason is still unknown to me.

Rahul Shil

Man And Tree

Look at the Tree

Look at the Man.

A Tree is make one beautiful life

Life is make one wonderful Man.

Plant the Tree

Don't cut the Tree.

A Tree was give us 'Oxy '

Man was give the Tree's 'Carb'.

Tree without Man has not Fruit

Man without Tree has no Root.

Rahul Shil

My Love

My Love is not mine Love,
My Love is my Patriotism Love.
My Love is Native Love,
I Love my Love.
I love the world filled with love,
I am proud of the small feeling of love.

Rahul Shil

Sowing

You're big bad,
Awaken the feeling of love in itself
You are crying now.
You're a fool,
Whoever comes and tears you down,
And my miserable mind
You're really stupid.

You may have forgotten,
Everybody here is a vulture,
Where to get food
There they put the handbag.
This is their traditional characteristic.

There is no existence of survival here.
If you want to live, then you have to live their lives.
You do not have any feeling of love there.
As much as you Shower your love
You will never be able to plant the seed of love.

Everyone here is violent,
There are live, still lifeless.

Rahul Shil

The Mind

I still do not understand the language of your calm.
Really tell me what you want?
How much trouble should I have to endure?
How many chest pains have on my forehead?
What are you saying?

From birth every moment of life you are always with me,
Yet you do not even hear one of my words.
Why say why? ? ? ?

I have no pride with you,
In fact, in my trivial life,
To make the ball rolling
Been grateful.
I'm crazy about all your questions.
In every direction of life, I feel great alone.

You are my mind,
So why not listen to me,
My life today is desert sand star.
If anyone wants to make a rain of happiness here
They will fail.

Life is a bit ruthless today,
The one who pulls me up, too
Move me away.
Always build on the frightened sadness of sadness,
Now there is a great discomfort in the building made of happiness,
Now I am living in a sad world.

Sadness is my big brother
Because sadness tells me all his pain.
Laughing at me sometimes,
I think I should take loans from someone.
All of them have to be fulfilled as nett with interest.

I did not understand myself yet,
To this ruthless nature,
I am just playing as a snake.

Today luck has turned away from me like everyone else.
Will you turn away from me?

Failing what do I do now?
I am completely helpless.
